Sir,

Sub ; Acts - Payment of wages Act, 1936 - Amendment
of sec 2 (ii) (a) to enable application of Act
to employees in lorry services - Madras Govern-
ment's proposal - communicated to the Government
of India.

O R D E R:

I am directed to state that in this province, the provisions of the Payment of Wages Act have been extended to all classes of persons employed in tramways and motor Omnibus services. The Government of Madras consider it desirable to regulate the payment of wages to employees in motor lorry services also, but they are advised that the term 'motor omnibus service' in section 2 (ii) (a) of the Act will not cover lorry services and that amendment of the Act will be necessary if lorry services are to be brought within the scope of the Act. I am accordingly to request that when amending the Payment of Wages Act, the term 'motor omnibus service' may be substituted by the term 'motor transport service'.

Yours Obedient Servant,
